

## Illinois Street Will Be Closed from Tue 5/14 thru Tues 5/28, between 7:00am – 7:00pm

Access to the houses and the USGS building on Illinois St, will be closed in the vicinity of 17th St for the duration of the closure. The sidewalks on either side of Illinois will also be closed.

As with all construction areas, please use caution. Please follow all safety signage and safety personnel's directions.

Thank you for your patience and understanding, as we continue to work on the utilities for the Energy and Mineral Research Facility.
