With the government shutdown on its 27th day, most agree that it has gone on longer than anyone anticipated.

As a small show of support to the more than 50,000 federal employees and their families impacted in Colorado, [The Golden Mill](#) is offering a 20% discount on all food and beverages to any federal government employee starting **October 27**, and running until the shutdown is over.

Federal employees simply need to present their government identification card upon payment - either when they arrive and receive a Golden Mill Card, or when they pay at each individual food stall. The 20% discount is good for up to \$20 off a tab and does not apply to merchandise.
