## **Goldens in Golden Resident Information**

**Saturday, February 7, 9:00 a.m. - 1:00 p.m., Downtown**

Goldens in Golden will take place in downtown Golden on Saturday, February 7, from 9:00 a.m. to 1:00 p.m. The event draws a large number of visitors to the downtown area.

Residents should expect increased traffic, parking limitations, and temporary road closures in and around downtown during the event timeframe.

### **Event Setup & Operations**

#### **Friday Load-In:**

- Vendor load-in will take place from noon to 6:00 p.m. on **Friday, February 6**.
- Load-in times are scheduled to help manage traffic and limit the number of vehicles arriving at once.

#### **Neighborhood Access & Parking:**

- Signage deterrents will be set up in the 12th Street neighborhood (between 11th and 13th streets) and the 9th Street neighborhood (between 8th and 10th streets). Security staff will be stationed at key entry points to prevent event-related parking on residential streets.
- Residents are encouraged to use Illinois Street to 19th Street if traveling south of Clear Creek, or Washington Avenue to Highway 58 if traveling north of Clear Creek during the event.

**Transportation:**

- Free, dog-friendly event shuttles will be operating from 8:00 a.m. – 3:00 p.m. from The Splash at Fossil Trace (3151 Illinois Street) to help reduce traffic and parking demand near neighborhoods.

**Event Hours & Footprint:**

- The event will have expanded hours and a larger footprint, to help prevent large surges of people arriving and leaving all at once.

**Road Closures:**

The following roads will be closed Saturday, February 7, from 8:00 a.m. to approximately 1:30 p.m.:

- Washington from 10<sup>th</sup> to 13<sup>th</sup> Streets,
- 11<sup>th</sup> Street from Washington to Miner's Alley, and
- 12<sup>th</sup> and 13<sup>th</sup> Streets from Washington to Arapahoe.

**Staffing & Cleanliness:**

- Additional trash and recycling receptacles will be placed throughout the event area, and volunteer staffing has been increased three-fold.

We recognize that events bring activity to the area and appreciate your awareness and patience during event operations. Planning efforts are focused on managing impacts while supporting a safe and well-organized community event.

Thank you for your patience as the City manages this large community event.

**Coffee with Councilors: Behind the Scenes with Coors**

**Monday, February 9, 5:30 - 6:30 p.m., Golden Community Center**

Join Councilors Patty Evans and Lisa Vitry as they meet with Ben Moline, Coors Director of Water Resources & Environmental Compliance, and Annie Beierle, Golden Public Works Director, for a conversation on how Coors and the City work together to keep the Clear Creek Corridor healthy and beautiful.

## **North Ford Complete Street Preferred Alternative Survey**

North Ford Street is a critical north-south corridor for the City and should provide accessible, connected and safe travel for all travel modes while serving the current needs and future goals of nearby neighborhoods and Golden residents.

Based on community feedback from the alternatives analysis public meetings and survey, the project team has prepared a 'preferred alternative' that will inform the engineering design plans. These plans were shared with the community during a public meeting on January 28. If you missed the meeting, you can view the plans and give us your feedback through February 11 on our [\*\*North Ford Complete Street Guiding Golden survey page\*\*](#).

## **Docked Bike Share Feasibility Study Survey**

The City of Golden and the Denver Regional Council of Governments are studying the potential for a solar supported, docked bike share program designed to serve the Golden community while aligning with the City of Golden's sustainability and mobility goals.

We're looking for community feedback! How you would use bike share in Golden? Where would you like bike share stations to be located? What features matter most to you?

Please take a few moments to fill out our [Docked Bike Share Feasibility Study Survey!](#)
